# Clear understanding. Equal outcome. *Job done.*

## VIDEO REMOTE INTERPRETING

With our agile technology and purpose-built app, your organisation can have an on-screen interpreter whenever you need.

### Features include:

- 24/7 availability in hundreds of languages, on all mobile devices
- Access on demand or book in advance
- Highly secure 256-bit encryption (the same used by online banking)
- Adaptable for both in-person and virtual meetings
